As a founding member of the banned Jesuits of Truth, Palmdale Chapter, and a committed supporter of the respected Smartass Clan in Burbank, I am compelled to express my apprehensions about the increasing calls for military intervention against China. Notably, many of those advocating for such measures have yet to articulate any personal grievances arising from their interactions with Chinese individuals to justify such a war.

My position on this matter often results in

the receipt of automated letters, sometimes embellished with a striking combination of cutout letters and simulated blood stains. These correspondences typically come from those intrigued by my ability to articulate and disseminate my views so candidly. They are quick to point out that my social credit score has dramatically fallen to an unprecedented low of minus 65,000. This serves as my response to the frequently posed inquiry regarding the extent of my seemingly unrestrained freedom of expression.

My voice appears to remain unmuted; however, access to my words is restricted. In a predictable development, the Corporate Congress has altered the interpretation of "Freedom of Speech" within the updated Homeland Security Act of 2025, indicating that while the Constitution grants the right to express one's self, it does not guarantee any corresponding right for others to have a right to hear what I have to say.
This revision permits all individuals to articulate their thoughts and opinions without restriction.

Nonetheless, a significant limitation exists: not all individuals possess the right to listen. In particular, those who indulge in excessive listening may encounter serious repercussions, potentially including incarceration.

October 19-25th 2024
"Over the course of several days, Ward 5 conducted its inaugural community outreach initiative aimed at addressing the growing needs of the undocumented population, specifically focusing on the increasing number of GOF Zombie Samples in the area concerning housing and employment opportunities. This initiative sought to, also, tackle the longstanding inquiry regarding the potential outcomes of sending Emil to a job fair, thereby providing a comprehensive response to this question." - Seine LaGone

THE RED CURRY PANCAKE PASTE ADDICTION
ART SHOW TOUR
October 19-25th 2024
While many critics of the Starving Artist formerly known as Emil will start and end their attacks by addressing Emil's well-known and long history of addiction without having taken he time to examine the actual art that his addiction fueled him to create.
In cooperation with the Palmdale Chapter of the Jesuits of Truth, WWWG and the Giovanni Metro Stop Gallery, we have assembled a small representation of this traumatic period of his life to better understand the artist.
